Dear Parents

We hope you and your family are doing well during these unprecedented times. We at RBDVA School Bathinda are trying to do our bit. Your cooperation and enthusiasm of our students motivated us to venture into distance learning through various mediums. We are ready to continuously improve with each passing day. We are assured that our students – your children are worth every drop of effort invested in them.

Furthermore, as per the guidelines issued, **there will be no increase in Tuition Fee this session (2020-2021)**. The updated Online Portal will be available soon for payment of Tuition Fee with monthly/quarterly option during this lockdown period. After the lockdown is lifted, we will let you know the fee schedule/details for the rest of the period of Session 2020-21.

In these strange times, let us all have hearts full of gratitude towards God almighty as we seem to be privileged enough to have safe homes and means to live safely.

We pray for the safety of all.
